Goals

The goal of public health administration is to establish and maintain a community focus on public health through the development of an efficiently organized, adequately staffed and effective Health Department

In Accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability.

To file a complaint of discrimination, write USDA, Director, Office of Adjudication and Compliance, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410 or call (800) 795-3272 (voice) or (202) 720-6383 (TTY). USDA is an equal opportunity provider.

No participant requesting assistance from the Bay County Health Department will be excluded from participation, denied the benefits of, or be otherwise subject to discrimination under these programs, on the basis of race, creed, age, color, national origin or ancestry, religion, sex, marital status, or disability.

ADA Assistance:

The County of Bay will provide necessary and reasonable auxiliary aids and services, such as signers for the hearing impaired and audio tapes of printed materials being considered to individuals with disabilities requiring auxiliary aids or services. Individuals should contact the County of Bay by writing or calling:

Michael Gray, Director of Adm. Services, Office of the Bay County Executive, 515 Center Avenue, Bay City, MI 48707, (989) 895-4130 or (989) 895-4049 TDD (Hearing Impaired).

Bay County Health Department
